MEMORANDUM FOR THE RECORD

SUBJECT : Meeting on Counterintelligence Training

REFERENCE: Memorandum for DDP/TRO through DTR, Subject: Proposed Change in Counterintelligence Operations Course Scheduling, from CH/OS/TR, dated 3 November 1964

25X1A9A

1. At the request of Mr. [REDACTED] CI Staff/TRO, a meeting was held at 1000 Glebe 26 January 1965 at 1600 hours. Those attending were [REDACTED] DDP/TRO, [REDACTED] HT/OS/TR. The purpose of this meeting was to discuss the present status of counterintelligence training, particularly those courses presented by Headquarters Training Branch. There has been growing evidence that the present courses (CI Familiarization and CI Operations) are not meeting the qualifications and requirements for the students and vice versa. Referenced memorandum with endorsements of DTR, CI/TRO and the DDP/TRO also had a bearing on the subject under discussion.

2. After considerable discussion as to the present content of our CI courses and the needs and criteria of students attending these courses, it was indicated that some realignment is in order. There was general concurrence from all participants that something as follows would be developed for further discussion:

a. Counterintelligence Familiarization. A very basic course not longer than one week's duration to familiarize administrative and operational assistants to the basic organization and functions of counterintelligence, with emphasis on the Headquarters role.

b. Counterintelligence Operations. A course of possibly three weeks' duration which would deal exclusively with operations with emphasis on counterintelligence tactics, primarily for those middle grade staff officers who are going to the Field.

3. It was decided that [redacted] would prepare the draft outlines of the courses stated above, after which they would be discussed further by participants of this meeting. The position and function of the Clandestine Services Name Checks Course and the proposed Interrogation Course in relation to our CI training was also taken into consideration.

Before long we will have a good line on our "new" CE program and then we would appreciate discussing it with you. In the meantime this is a development.
